

SAFETY DATA SHEET

EPINEPHRINE INJECTION

Section 1: Identification of the Substance and Suppler

Product Name Epinephrine Injection

Recommended Use For emergency use only in treating anaphylactoid shock in ship, swine, cattle, horses,

dogs and cats.

Company Details Sparhawk Laboratories Inc. 12340 Santa Fe Trail Dr. Lenexa, Ks. 66215

Emergency Telephone 800-424-9300

Date of Preparations 11/06/15

Section 2: Hazards Identification

Hazard Classification

Priority Identifiers

None

 \Diamond

Warning

Secondary Identifiers Inhalation or topical application can produce systemic effects.

Eyes/Skin: May cause irritation, flush with water, and seek medical attention. Inhalation:

Remove to fresh air.

Ingestion: Obtain medical assistance at once.

Risk & Safety Phrases None Applicable

Section 3: Composition/Information on Ingredients

Chemical Name	CAS Number	Concentration
Epinephrine	51-43-4	0.1%
Hydrochloric Acid	7647-01-0	0.1%
Sodium Metabisulfite	7681-57-4	0.1%
Disodium Edetate	139-33-3	0.03%
Sodium Chloride	7647-14-5	0.1%
Benzyl Alcohol	100-51-6	1.5%
Water for Injection	7732-18-5	QS

Section 4: First Aid Measures

Necessary First Aid

Measures

Inhalation of topical application can produce systemic effects.

Eyes/Skin: May cause irritation, flush with water, and seek medical attention. Inhalation:

Remove to fresh air.

Ingestion: Obtain medical assistance at once.

Section 5: Fire Fighting Measures

Type of Hazard Not classified as flammable.

Fire Hazard Properties None Applicable
Regulatory Requirements None Applicable

Extinguishing Media and

Methods

Carbon Dioxide, Dry Chemical or water spray.

Hazchem Code None allocated

Recommended Protective

Clothing

Self-contained breathing apparatus. Goggles if eye contact is likely.

SAFETY DATA SHEET

Section 6: Accidental Release Measures

Wear appropriate protective equipment, including self-contained breathing apparatus. **Emergency Procedures**

Extinguish with Carbon dioxide, dry chemical, or water spray.

Section 7: Handling and Storage

Precautions for Safe Avoid contact with Skin, eyes and inhalation. Avoid ingestion. Keep container

adequately sealed during material transfer, transport or when not in use.

Regulatory Requirements None Required

Handling Practices Avoid contact with Skin, eyes and inhalation. Avoid ingestion.

Approved Handlers Not Required

Conditions for Safe Storage Store at controlled room temperature between 15° and 30°C (59°- 86°F). Protect from

light.

Store Site Requirements Protect from light.

Section 8: Exposure control/Personal Protection

Workplace Exposure

Standards

Handling

During handling, do not eat, drink or smoke.

Application in the workplace None Applicable

Exposure standards outside the workplace During handling, do not eat, drink or smoke.

Personal protection Self-contained breathing apparatus. Goggles if eye contact is likely.

Section 9: Physical and Chemical Properties

Clear colorless Appearance

Boiling Point None Applicable Melting/Softening point None Applicable Vapor Pressure None Applicable

Specific Gravity

Solubility (H2O) Soluble

Percent Volatiles None Applicable **Evaporation Rates** None Applicable

Section 10: Stability and Reactivity

Stability of the Substance Stable

Conditions to Avoid Protect from light.

Material to Avoid None

Hazardous Decomposition

Products

Not Determined

Section 11: Toxicological Information

Acute effects for individual ingredients only

Skin/Eyes: May cause irritation. Inhalation: Remove to fresh air. Ingestion: Obtain medical assistance at once. Toxicity: LD50 Oral rat 30mg/kg.

SAFETY DATA SHEET

Section 12: Environmental Information

Effects for individual ingredients only

Dispose of according to Federal, State and local regulations.

Section 13: Disposal Considerations

Disposal Information Take up by mechanical means, avoid eye contact.

Reference Not Applicable

Section 14: Transport Information

Relevant Information Not classified as dangerous goods for transport.

Section 15: Regulatory Information

Regulatory Status None Applicable

Section 16: Other Information

Additional Information Federal law restricts this drug to use by or on the order of a licensed Veterinarian. Keep

out of reach of children. For animal use only
